We thank you for your interest in our **eco awards Namibia** program.

After a very successful trial period of this program, the mangement committee is currently busy reviewing the criteria for all types of accommodation establishments available in Namibia.

It is planed to have this done by the end of June 2005, and we will upload the new criteria onto the web site on this place beginning of July 2005.

Should you be interested in receiving these new criteria a.s.a.p. please send us an email to
